

Green Valley Area Plan Town Hall Update

In an effort to reach more residents in Green Valley, the County will be updating the area on the Town Hall meeting held on February 5 with individual neighborhood meetings. This process will take place over the course of six meetings over a roughly two week span, and each meeting will be held at the **Green Valley Community Center**. If you cannot make your own neighborhood's meeting, there are two overflow meetings (one each week).

The meetings will cover a range of topics including more information on each governance option, estimated costs, and answers to questions gathered at the Town Hall meeting.

Because space is limited in the Community Center, if you are unable to attend on the night of your neighborhood's meeting, please contact me (smetzger@pottcounty.org) to tell me that you are planning to attend one of the overflow meetings. If you do not live in one of the below neighborhoods (Glendale, Hunter's Crossing, Quail Creek etc), please attend either of the overflow meetings, or if those don't work, e-mail me and we will make sure that you're able to attend one of the meetings on a night that works for you.

The scheduled meeting dates are below:

Wildcat Woods/Whispering Meadows – Monday, March 18 7.00pm

Elbo Creek/Nelson's Ridge – Wednesday, March 20 7.00pm

All Others/Overflow I – Thursday March 21 7.00pm

Timber Creek (I, II, III) – Monday, March 25 7.00pm

Eagles Landing – Wednesday, March 27 7.00pm

All Others/Overflow II – Monday, April 1 7.00pm

If you have any questions, please feel free to contact me via e-mail (smetzger@pottcounty.org).

Thank you, and we hope to see you there!
